' This is the story of roots, the seeds of growth, the fruits of glory, and the continuous evolution that has made GNA what it is today '

Our Legacy

The spirit to challenge at GNA was ignited in the year 1946, when founder Sardar Amar Singh initiated GNA Axles Ltd. with his esteemed vision. The enthusiasm continued with accelerating ways of Sardar Gursaran Singh (Chairman) that added towards the nation building and initiated Rear Axle Shaft those Manufacturing. The years since have been a time of astounding growth, consolidation and branching out. Today over 5000 dealers are associated with this colossal tree, that has bloomed from a seedling sown over Seven decades ago.

The GNA Group today is amongst India's foremost and largest automotive transmission component manufacturers with the world's top most OE manufacturers as customers. The Group has one of the largest integrated facilities of its kind in the Asian subcontinent, and comprises of Group companies GNA Axles Ltd, GNA Gears Ltd. Consistently stepping up to the challenge of manufacturing products that are world-class for over 78 years, GNA is still leading the way. GNA University is promoted by GNA Gears Ltd. GNA

Gears is known for its cutting edge technology, established quality processes and capabilities owing to a legacy of perseverance and forward looking attitude. GNA University is promoted by GNA Gears Ltd. The Company manufactures a wide range of products Crown wheels, Tail Pinion, Ring Gears, Epicyclic Assemblies, Transmission Gears, Shafts, Speed Gears, Differential Gears and Gear Boxes. Particularly for the automotive industry at a modern, integrated and largely automated manufacturing facility.

- Established in 1946
- 78 years of legacy
- Have global presence
- Employed 4500 employees
- Excess turnover of US \$150 million
- 3,75,000 sq m Technological Resource
- Awarded with TS 16949 - Quality management system
- ASIA's largest integrated design and manufacturing industry
- Awarded with QS 14001 - Environmental management system

GNA UNIVERSITY

The world of unlimited

POTENTIAL

GNA University (GU) is designed to be a leading higher education Institution engaged in creating, preserving and imparting knowledge to a diverse community of students. The University aspires to nurture value based leaders who have knowledge and skills to create success in their

organizations. The university seeks to improve the quality of life through eclectic blend of science, technology and humanities for innovative solutions to real life problems. The university is engaged in transferring knowledge in the global context* The unique feature of the programs conducted at the

University is the focus on experiential learning, industrial internships, learning to learn principles, flexible, credit based study programs and holistic development of personality which in turn will ensure employability of the students. The GNA University benchmarks itself with leading

institutions across the world in terms of intellectual capital, academic quality, delivery practices and industry linkages. The University credo includes focus on meritocracy, transparency, accountability, ethical behaviour and service orientation.

From the Desk of the **CHANCELLOR**

At GNA University we always strive to ensure that the academics well aligned with industry requirements. To make the students readily employable, GNA University has collaborated with big industry giants like Bosch, Siemens, Autodesk, Festo, Strasys, Dassault Systems, etc. GNA University has also signed MOUs with Huawei, University of La Vern - US, Wichita State University, and many more like this. Under his leadership, we are exclusive members of AIMA for Business Simulation Labs, EC Council University - the US for Cyber Security, AWS Academy, Tableau, Mafoi, Times of India, and BSE Institute. We at GNA University are striving to bring that change in the learning and development

S. Gurdeep Singh
Chancellor,
GNA University

activities of the students. To meet the expectations of the nation and aspirations of society we follow the highest institutional principles. We are committed to bringing excellence in all the activities in teaching, learning, research, and administration. Learning is a gradual process and we provide the essential environment and facilities to achieve the same. If you are also looking for excellent learning opportunities in your life, GNA University will surely be the best place to begin the next academic journey of your stupendous life.

From the Desk of the **VICE CHANCELLOR**

Dr. V.K Rattan
Vice Chancellor,
GNA University

GNA University has been designed with the sole purpose of bringing innovative thinking in re-structuring higher education. The University aims to nurture value based leaders who have knowledge and skills to create success in their organizations. The University seeks to improve the quality of life through eclectic blend of science, technology and humanities for innovative solutions to real life problems. The university is engaged in imparting, creating,

preserving and propagating knowledge in the global context. Our academic curriculum is designed to meet industry expectations. Accordingly, we have established collaborative partnerships with industry, government, and other research institutions. Our focus is to help the students in achieving optimum growth in their lives. Students are encouraged to think innovatively and brainstorm ideas to perform the assigned tasks. This makes them not only good in academics but also successful professionals and entrepreneurs. Throughout their stay at GNA University, they are inspired to become ethical and responsible civilians.

We make the DIFFERENCE

Industry Endorsed Curriculum

GNA University is an industry backed university having close linkages with the industries of immense repute. We strive to deliver the best industry exposure in the form of Guest Lectures from industry professionals we even involve them in the designing of the curriculum development to ensure the development of our students according to the corporate needs and making them industry ready.

International Immersion

GNA University has collaboration with renowned foreign universities like University of Laverne, Wichita state University which enables students to opt for semester-abroad program. Students are also sent on 15 days immersion program where they develop insight into the culture and traditions of people residing abroad

Live and Industry Projects

Students get the opportunity to work on live industry based problems and provide them with innovative solutions. Strong industry network of GNA brings the industry closer and helps the students in getting training directly from the experts.

Visiting faculty from the industry and leading academic institutions

Students of GNA University enjoy the privilege of a big professional network of their mentors and faculty members from industry and academia.

Research Based teaching

GNA University provides opportunity to acquire skills from the best faculty from academia and industry. Students are encouraged to learn the concepts through research.

Strong Industry Connect

Strong Industry connections enables students to get practical exposure of the industry in the form of guest lectures, industrial visits, summer and winter training.

Effective teaching Learning Processed

Faculty members and students are encouraged to innovate and create concepts, designs, projects and give solutions to the industry. Students are groomed with life skill courses like Critical Thinking, Selling Skills, Interpersonal Skills and face the Challenges of life

Peer Learning through clubs and Societies

Extra-curricular activities play a vital role in the development of the child's overall growth. GNA University has always encouraged children to explore and channelize their talents through participation in a wide range of indoor and outdoor games at the University level. For children with focused interests, there are various clubs. Students can participate in outdoor sports like football, basketball, aerobics, tennis and cricket.

Best Location

GNA University is located in the pollution free lush green vicinity surrounded by fields that has astounding natural beauty.

Corporate

RELATION DIVISION

GNA University upholds strong industry relationships. We are always keen to listen more closely to the needs of the corporate partners. This thought paves our way for Corporate Interactions with the industry to reduce

Industry-Academia gap. To achieve the same, Corporate Relations Division is established at GNA University. Corporate Relations Division serves as a front door to industry to the entire University. The CRD works close

knit with the corporate sector to nurture a valuable network. Assist corporates in Research and Development, Training and problem solving etc. Provides opportunities to faculty and students for Live Projects, Training and Placements

We bring industry closer to our students through

Participation of Industry in GU events.
Corporate Liaisoning - Guest
Summer Internships

Research & Consultancy Projects with Industry
Lectures/ Industrial Visits
Final Placements

Language
Students are trained on all three aspects.

Business Comm.
All students are trained on:
Email handling
Phone handling

Skill Awareness
All students have been gone under personal skill development counselling.

Skill Expertise
Each student is aware about the level of skill expertise he has and ready to be trained on any special need

Reasoning
Students are trained on reasoning and its various sub-kinds

Industry Mapping
Students have been doing intensive mapping of potential employer with their skills

Skill Acquisition
Students are using tools like MOOCs, online trainings to acquire desired skillset.

Our KNOWLEDGE PARTNERS

Spoken Tutorial is a multi-award winning educational content portal. Here one can learn various Free and Open Source Software all by one self. The self-paced, multi-lingual courses ensure that anybody with a computer and a desire for learning, can learn from any place, at anytime and in a language of their choice. All the content published on this website are shared under the CC BY SA license.

Virtual Labs project is an initiative of Ministry of Human Resource Development (MHRD), Government of India under the aegis of National Mission on Education through Information and Communication Technology (NMEICT). This project is a consortium activity of twelve participating institutes and IIT Delhi is coordinating institute. It is a paradigm shift in ICT-based education.

Ui-Path is the fastest growing enterprise software company, delivering leading RPA platform alliance with GNA University offers various specialized courses integrated in various degrees of SEDA.

JOIN US TODAY TO LEAD TOMORROW

PTC INC. USA delivers technology solutions that transform the way companies create, operate and service their products. PTC solutions enable manufactures to develop product and service advantage in a smart, connective world.

Technology giant Cisco continues to dominate the industry as the premier enterprise networking vendor. It's no surprise that Cisco has been one of the biggest global networking companies, growing from a seller of switches and routers to a provider of complex telecommunications, cyber security, and networking solutions since 1980s.

Microsoft Imagine Academy

Microsoft Imagine Academy program provides educational institutions with access to a full curriculum solution for teaching technology courses and learning tools that help teachers gain technology skills, and helps students to achieve success thru employability and industry certification. 73% of new jobs in the next five years will require technology skills

AWS is a largest market share in the world (around 64%) for cloud solutions and AWS academy's partnership with GNA University is one of its kind where students are getting certified and immediately getting placed in the latest skills.

FANUC Corporation is a global leader in factory automation, industrial robots, and CNC systems. With a focus on innovation, FANUC continues to push the boundaries of digital manufacturing and Industry 4.0. In collaboration with FANUC, GNA University is set to redefine the future of CNC and Robotics education in the region.

Linked learning is an online learning platform that offers massive courses taught by industry experts in software, creative and business skills. It is regarded as a virtual e-learning platform that renders students to develop and upskill the deep understanding of every course with personalized content from world-class library of over 16,000 experts which is updated across 7 languages.

Siemens is a German multinational technology conglomerate. Its operations encompass automation and digitalization in the process and manufacturing industries, intelligent infrastructure for buildings and distributed energy systems, rail transport solutions, as well as health technology and digital healthcare services. Siemens is the largest industrial manufacturing company in Europe, and holds the position of global market leader in industrial automation and industrial software.

Indian Society for Technical Education, formed in 1968, is the leading technical society in the country with 430 chapters Nationwide and headquarters at New Delhi. With the motto of career development of teachers and personality development of students hence an overall development of our technical education system, this society has created a name for itself at the national level. More than 200 students are the members of this chapter in Phase-I. It will help in organizing a variety of guest lectures, workshops and events to facilitate the budding engineers with the latest advancements and crucial developments pertaining to the field of technical education.

ICT Academy is an initiative of the Government of India in collaboration with the State Government of Tamil Nadu and Industries, It operates as a Not-for-Profit Society under the Public-Private-Partnership (PPP) model which focuses on Skill Development Training Programs for the youth in various sectors. ICT academy offers workshops, seminars, and certification courses tailored to the dynamic needs of the ICT industry. Our collaboration with ICT Academy enriches the educational experience of our students and prepares them for a brighter future in the digital age.

Autodesk, Inc. is an American multinational software corporation that makes software products and services for the architecture, engineering, construction, manufacturing, media, education, and entertainment industries. Autodesk is headquartered in San Francisco, California. The manufacturing industry uses Autodesk's digital prototyping software—including Autodesk Inventor, Fusion 360, and the Autodesk Product Design Suite—to visualize, simulate, and analyze real-world performance using a digital model in the design process.

The Tourism & Hospitality Skill Council (THSC) is a distinguished Not-for-Profit organization registered under the Societies Registration Act of 1860. Backed by the Confederation of Indian Industry (CII), THSC boasts comprehensive representation from various sectors including Government bodies, Industry leaders, Industry Associations, and Training Institutes across India. Its inclusive structure ensures collaborative efforts to address skill gaps, promote training, and enhance employment opportunities within the dynamic tourism and hospitality sector. Through strategic partnerships and innovative initiatives, THSC is dedicated to fostering a skilled workforce, driving industry growth, and elevating standards across the vibrant landscape of Indian tourism and hospitality.

Red Hat Academy Bridge the gap between education and industry. It partners with academic institutions around the world to provide the next generation of IT talent with free access to a range of Red Hat's training courses and certification exams.

School of **ENGINEERING, DESIGN & AUTOMATION**

GNA University provides wide range of Graduate, Postgraduate, and Diploma Programs. The School of Engineering, Design, and Automation (SEDA) is one of the schools of GU that offers programs in different domains like Aerospace, Mechanical and Automation, Computer Science and Engineering, Computer Science and Engineering with Cyber Security/Cloud Computing/Data Analytics/Full Stack Development, Robotics and Automation, Electronics and Communication, Electronics and Computer Engineering, Civil Engineering & B. Design (Bachelor of Design). GU aims to give broad overview and versatile development to its future techno-

crats enabling them to compete at global level. SEDA aims to cater the education with the highly experienced faculty and industry-ready engineers of this area. Here, at GU we are putting our best foot forward to create opportunities for the students

to explore the creative world of Engineering, Design and Automation through various co-curricular activities.

SEDA renders the students with extra ordinary learning opportunities and, provides with a practical demonstration at the same time

which is followed by hands on training, industry tours to have exposure that boosts students for career and success in the field of Engineering. In this school, we also offer global certifications in association with AWS, Palo Alto, CISCO, Redhat etc.

Priya
School of Engineering, Design and Automation

Well, back then it was a tough choice for me to be here but now I'm enjoying every bit of it being a part of GNA University. Career cell at GNA University encourages the talent and development of every individual's career. GNA University provides best learning environment which includes practical oriented training with unique placement prep module. It has helped me to develop my personality and confidence level as a result, now I'm a co-founder of cyber security club. A must to be at place for students who are self starters...

- Wacom Cintiq Pro Japan lab for concept Design
- Product Design and CAD lab USA
- Dedicated Automotive Design workshop with Modern Tools & Machines

Join B.Tech. Electronics & Computer Engineering

- MATLAB, Arduino, IoT, Cyber Security and Cloud Computing based Physical & Virtual labs
- Emphasis on embedded system, Robotics and Electronic hardware projects.

Join M.Tech. CAD/CAM

- Automotive & Aerospace Sector
- Software companies dealing with product design and development
- Research and development

Smart Makeup Brush Cleaner

An automatic smart makeup brush cleaner, which cleans and dries the brush thoroughly with jet sprays, hot air vents and smart sensing technology

Design Patent Number under Govt of India: 366154-001

Fish Kiosk

School of Engineering Design and Automation students of M.Tech CAD/CAM and B. Design bagged first position in National Design Challenge on Innovative Design Mobile Kiosk for Fish Vending organized by with Confederation of Indian Industry (CII) and Ministry of Fisheries in collaboration with World Bank. The award is presented by The students along with Dean Dr. C.R.Tripathy received award from Shri Jatindra Nath Swain IAS Secretary Department of Fisheries.

AttendEase

Students of CSE developed an innovative Smart Attendance Management System that revolutionizes attendance tracking with advanced features like ID card and barcode scanning, facial recognition, and text recognition. It maintains detailed student records with automatic exit time filling and provides scheduled data record copies to officials. Also, it offers visualization tools for analyzing attendance patterns and trends, empowering administrators with actionable insights.

E-Bike

Students of B.Tech. Mechanical and Automation Engineering have participated in the SIEP E-Bike Challenge 2024 organized at IES University Bhopal with team named "Bolt-Bikers". The team has secured 2nd position in vehicle round mode and 5th position overall out of 54 teams from various universities and technical colleges across India. The team also won 1st position in Technical project display at Tech Symphonic-2024 organized by Lyallpur Khalsa College, Technical Campus and second position in Project Display at Pushpa Gujral Science City.

Robo Car

School of Engineering Design and Automation students have developed a Robo car and participated in various Robotics Championship events. Participation of the Robo car has won 1st prizes in the competition held at Pushpa Gujral Science City, Kapurthala & CGC Landra and won 2nd prize in the competition held at NIT Jalandhar, PEC Chandigarh, & Baba Farid College Bathinda.

Vehicle Speed Control System

Vehicle Speed Control System is designed by ECE students to control the speed of the vehicle in specific zones to avoid the accidents in the low speed areas. IR Transmitters, IR Receiver, Node MCU, Motors, Infrared Sensors and Microcontroller based project can control and limit the mechanism speed of the vehicle which results in prevention of accidents.

Laboratory Automation System using IoT

Implementation of Laboratory IoT based Automation System Using Node-MCU at ECE Department Lab, operated by remote control. It involves the control and automation of lighting, air conditioning and electricity supply. Wi-Fi is used for remote monitoring and control. Lab devices when remotely monitored and controlled via the Internet, are an important constituent of the Internet of Things.

Liquefaction Model

Department of Civil Engineering developed a liquefaction model designed to vividly depict the diverse impacts of lateral loading on various types of foundations.

GNA BUSINESS SCHOOL

GNA Business School (GBS) is widely recognised for its exceptional academic credentials and state-of-the-art infrastructural facilities that foster a dynamic and interactive learning environment. Furthermore, complementing this infrastructure, is a faculty-set of seasoned educators with relevant research and industry experience, committed to impart comprehensive teaching delivery through the use of innovative pedagogical approaches. Through the implementation of real-world projects, interactive teaching methods, and the integration of case studies, students are encouraged to actively engage in activities contributory towards enhancing their business and management acumen. This enables them to gain practical skills that are imperative for attaining

success in the fiercely competitive environment. GBS strategically aligns itself with prominent business organizations to offer students invaluable industry exposure. These corporate linkages enhance students' practical skills, summer internships and relevant career pros-

pects. Further, students are provided with several meaningful opportunities to cultivate managerial and leadership abilities that will be beneficial in their future professions through organization and conduct of activities ranging from in-house events to seminars and cultural festivals. GBS has attained prestigious

institutional rankings, which serve to solidify its position as a preeminent institution within the realm of business education. The earned recognition showcases the institution's unwavering commitment to upholding rigorous scholastic criteria and guaranteeing the prosperity of its pupils.

Armanpreet Kaur
Student of GNA Business School

GNA University offers a unique blend of learning and self-development. It not just provides us various platforms to showcase our abilities but also helps us to learn all the soft skills that are highly required. It provides career-focused education and motivates innovation at each step. In just one year of joining, I can see a remarkable development in my personality. I'm so glad that I opted for GNA University. Along with this, I have also sent my picture for your reference.

School of COMPUTATIONAL SCIENCES

Computer Sciences is one of the most lucrative fields in today's world that is versatile, dynamic, and progressive at a fast pace.

The School of Computational Science (SCS) at GNA University, came into existence in the year 2014 to prepare the "Genre of Techies for Tomorrow". SCS provides a unique learning environment, with up-to-date academics and high-quality research to develop a deep understanding of the subject. The curriculum is specially formulated to address new challenges in advanced computing, Artificial Intelligence, Cloud Computing, Cyber security, Machine Learning, Data Analytics, Ethical Hacking and Digital Marketing.

The school of computational science strives to achieve excellent standards of quality education by keeping pace with rapidly changing technologies and helping students to create computer professionals

of global standards. SCS has an in-built Industrial training module, a thriving research environment, state-of-the-art labs, and accommodating smart teaching at both graduate and post-graduate levels. SCS ensures imparting an environ-

ment that would help students to become both 'business-savvy' and 'tech-savvy'. All the degree programs under this department at GNA University are combinations of highly paid and exciting careers.

Nitin
Student of School of Computational Science

GNA University is a student friendly campus. Having lectures from trained faculties and supportive mentors really helped me gain a better understanding of the language and technical expertise in my complete degree programme. I really like the placement process of our University. Everyone is really working hard for all the student. I was really lucky that I got placed in Wipro in my first attempt.

School of DESIGN & MASS COMMUNICATION

School of Design and Mass Communication at GNA University provides a comprehensive understanding in the principles and processes of design and communication. SDMC offers an excellent opportunity for student to gain specialisation in the field of Journalism, Animation & VFX, Graphic Designing, Interior Design and Communication Design in the media and entertainment industry. Our programs provide the perfect launch-pad for undergraduate and post-graduate students to embark on successful careers in Journalism, Visual Effects for Films and Television, as well as emerging applications for Design, 3D Visualization, Advertisement & Branding, UI/UX and Animation. Our experienced faculty provide guidance to our students as they gain hands-on

training through various simulations and live projects facilitated by successful industrial alliances. We offer multiple degree options tailored to meet future prospects in the media world, and our project-based learning enables students to showcase their talent and potential in new and excit-

ing ways. SDMC at GNA boasts an impressive industrial network and offers an extensive array of job opportunities to our students. We aim to provide unparalleled knowledge in the field and prepare our students to meet the demands of the challenging future. Our programs help students develop design

thinking, storytelling, software engagement, computer proficiency, graphic designing tools, sketching, photography, and provide hands-on experience in state-of-the-art facilities such as: High-End Computer Labs, Mac Lab, Photography Studio, Art Room, 90.0 FM GNA Radio

Rajan
Student of School of
Design & Mass Comm.

I am really indebted to be a part of the GNA University. This University is a campus with a real difference. The quality of teaching at the University was totally class apart, be it the teachers or the infrastructure, everything bespeaks.

School of HOSPITALITY

The School of Hospitality at GNA University (GU) is dedicated to the development of students who wish to join and chase their career in the global Hospitality Industry. The School of Hospitality at GU is one of the most enlightened faculties in the region that stands out for excellence, diversity, relevance, and industry reach.

GNA University offers a variety of courses across all disciplines of hospitality. The course enriches the learning process through experiential, collaborative, and innovative approaches to enhance student's analytical and decision-making skills. Here, students are being bestowed with the best-provided infrastructure, including AC classrooms, studio kitchen, training restaurant, Training kitchen, Bakery and Confectionary lab, front office lab, guest rooms and other campus facilities. It is considered the best opportunity to dive into the world of hospitality. The hospitality programs at GNA University are committed to prove the quality

of expertise and skilled human resource for one of the fastest-growing industries nationally as well as internationally. The comprehensive and well-structured internship program in hospitality at GNA University provides a platform to work with top players in the industry

so that the students can learn from the best. The students are being absorbed by the supervisory and middle managerial positions in the hospitality, Travel, and Tourism sector. In the lane of achievements, SOH takes pride in holding 7 Limca book of records.

A.S. Themmarak
Student of School of Hospitality

The teachers at GNA were open to prepare classes according to the students' needs and interests. I feel more confident and fluent and the best thing was meeting students from the other countries and having the opportunity to practise my English with them.

School of ALLIED & HEALTHCARE SCIENCES

Healthcare is the improvement of health via the prevention, diagnosis, treatment, amelioration or cure of disease, illness, injury, and other physical and mental impairments in people. Healthcare is conventionally regarded as an important determinant in promoting the general physical and mental health and well-being of people around the world. Now a days Healthcare Sciences is playing a vital role in developing strategies for the early diagnosis, treatment and better management of the diseases by optimizing the technical and personal skills. Providing health care services means the timely use of personal health services to achieve the best possible health outcomes.

Healthcare is delivered by health professionals and we at GNA University offer Allied and healthcare Sciences to enable the students to become Healthcare professionals in the field of Physiotherapy, Medical Lab Sciences, Medical Radiology & imaging technol-

ogy, Operation Theatre and Anesthesia technology, Nutrition and Dietetics and Optometry. The Programs at GU provides the comprehensive idea, principle and moreover the knowledge of various practices of healthcare procedures. Graduates and Post-Graduates

from these programs will be prepared for careers in healthcare sectors (Hospitals, Clinics and Diagnostic centers), Academic Sector (Medical Colleges and Paramedical Colleges).

Chailcy Jassal
Student of School of
Allied & Healthcare Sciences

Attending GNA University's Medical Radiology program has been an exceptional journey. The curriculum, equipped with cutting-edge technology and expert faculty, provided me with invaluable skills and knowledge essential for a successful career in radiology. The hands-on experience and supportive learning environment have truly prepared me to excel in the field. Thank you, GNA University, for shaping me into a confident and competent medical Professional.

School of PHYSICAL EDUCATION & SPORTS

It is rightly quoted "Sport is a Preserver of Good health". In Contemporary times, Physical Education and Sports play an integral part in education. GNA University's Physical Education and Sports curriculum have been specially designed to focus on the expertise in games, sports, physical activities, mental growth, health, and overall personality development of the students. The physical education and sports program will provide students an opportunity to prepare for scientific teaching, training, coaching, and participate in higher-level sports competitions at the national and international levels.

Physical Education and Sports is an integral part of the education. Therefore, the focus of the program

is to prepare and motivate all students to engage in sports activities, which promote sportive culture, health and physical wellbeing. At New Hope: The physical education and sports program increases attention on expertise in games and sports, physical activities,

mental growth, health and holistic development of the students. The physical education and sports program will provide students with an opportunity to prepare them on the basis of scientific teaching, training and coaching and participate in higher level sports completions even at international level. At

GU, we hope that by participating in physical education and sports program, students will be able to expand their surplus energy in fruitful manner by being active learners of fitness concepts and by developing good social skills, and maintaining a positive self-concept.

School of LIBERAL ARTS

The prime focus of liberal arts is to educate the brimming laureates to evaluate ideas and to provide a humanistic value. Along with the in-depth study of culture and literature students are eligible to understand the language studies which is integrated with various fields. We at GNA University are home to the new inter-departmental program which is gamishing with a sheer mix of English language and literature.

Highly experienced faculty with a great academic structure and diverse range of subjects helps students to question critically and think broadly. By developing a comprehensive knowledge of language proficiency SLA nurtures students who wish to be future linguists.

The School of Liberal Arts at GNA University is one of the most prominent faculties which is being designed to foster the education for leading roles in the global community by sticking to the language. Language plays a crucial role in

every individual's life as language connects us with our culture. From ancient times, the field of arts is known to be one of the goals driven behind many of the social and political evolutions and today it still maintains a place of great academic significance.

GNA CAMPUS LIFE

A vast range of cultural, educational, athletic and social activities are available to GNA University students, faculty and staff. Getting involved in Campus life is the quickest way to become a part of the University

Community, and to create one's own GNA experience. Campus life activities are built around the concepts of encouraging each community member to express his or her talents and to respect all members of our

pluralistic community. Living and learning are intimately intertwined at our University campus. Extra-curricular programs, organizations, performances, Forums and athletics beckon students,

faculty and staff, as well as neighbours from the communities around us. Our University campus boasts of a world-class infrastructure comprising unsurpassed facilities to ensure contented

environment to our students for enabling them to derive the utmost from what we have to offer. What makes a Quite different is the vibrant campus life of the University

National CADET CORPS

Unity and Discipline
Website: <https://nccindia.nic.in/en>

NCC aims at developing character, comradeship, discipline, a secular outlook, the spirit of adventure and ideals of selfless service amongst young citizens. Further, it aims at creating a pool of organized, trained and motivated youth with leadership qualities in all the walks of life, who will serve the Nation regardless of which career they choose. Needless to say, the NCC also provides an environment conducive to motivating young Indians to join the armed forces. The NCC is not a para military organisation. It is a youth movement. It has enormous potential for nation building and has developed into a valuable auxiliary to the education system. Nearly 12,000 teachers/professors from the educational institutions all over the country, referred to as Associate NCC Officers, constitute the back bone of NCC training staff. The NCC provides exposure to the cadets in a wide range of activities, with a direct emphasis on social service, discipline and adventure training. With the motto "Unity and

Discipline", NCC continues to inspire generations of students all over the country.

NCC Wing at GNA University

NCC is one of the biggest youth forum which brings the vibrant students together and guide them in a proper direction so that they can play a constructive role in the development of the country. These students have enormous opportunity to show their talent and skill. Besides Military Training, they have an opportunity for adventurous activities which give them wide horizon and keep them morally and mentally fit so that they become a well disciplined citizens of the society. The students pursue adventure activities like para sailing, gliding, para dropping, training camps, national integration camps, rock climbing and mountaineering activities boat pulling/sailing and ship modelling.

National SERVICE SCHEME

Not me but you
Website: <https://nss.gov.in>

With the goal to work for the betterment of society and instil the spirit of social service among the young students, the University has established NSS at institute level, headed by Dean of Students Welfare. GNA has one unit of NSS which undertakes comprehensive projects in close collaboration with the Community. Student volunteers actively carry out Programmes like emergency relief, campus projects, blood donation camps, eye camps, informative lectures on human values, surveys and other such events are organized regularly. PRERNA-GNAs Social Service Club is there with a vision to help and serve the

people with less resources and deserving sections of the society.

PRERNA provides significant care and relief for the people who are oppressed, materially poor, and disadvantaged. PRERNA is also dedicated to address the issues involving environmental and social concerns.

At GU, village adoption program is initiated to develop the selected villages in an integrated manner and to create awareness in the village and play effective leadership role in various developmental activities. This would include socio-economic development i.e., Health,

Education, Water supply, Sanitation, Skill development and employment, sports and women and child development issues etc. The aim of adoption of village is to give ideas of development issues etc. The aim of adoption of village is to give ideas of development to the villagers which would improve their living conditions. We will educate villagers about the latest developments in agriculture, wastelands development, Sanitation, nutrition and personal hygiene, schemes for skill development, Income generation, government schemes, legal aid etc.

Five Villages are adopted by GNA University Under the IVDP program: -Ranipur -Rawalpindi -Lakhanpur -Dhaddey -Khatti

Anti RAGGING CELL

A JUNIOR DOESN'T
DESERVE RAGGING

"RAGGING IS A REPRIHENSIBLE
ACT"

No act of Ragging would be
tolerated...

Any act of Ragging would not go
unnoticed and unpunished...

The Apex Court has defined ragging' as any disorderly conduct whether by words spoken or written or by an act having an effect of teasing, treating or handling with rudeness any other student, including in rowdy or in disciplined activities which cause or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or junior student; or asking the student to do any act or perform something which such student will not do in the ordinary course; or which has the effect of causing or generating a sense of shame or

embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student"

Participation in/or Abetment of Ragging at GU may lead to:

- Cancellation of Admission
- Suspension from Attending Classes.
- Withholding / withdrawing scholarship/fellowship and other benefits.
- Debarring from appearing in any test examination or other evaluation process.
- Withholding Results
- Debarring from representing the institution in any national or international meet, tournament, youth festival, etc.
- Suspension/ expulsion from the hostel
- Rustication from the institution for periods varying from 1 to 4 semesters or equivalent period.

Expulsion from the institution and consequent debarring from admission to any other institution.

Fine up to Rs. 25,000/-

Grievance REDRESSAL CELL

As per the regulations on Grievance Redressal 2012, issued vide the Gazette of India on 23 March 2013, GNA University has set up a Grievance Redressal Mechanism to address the complaints/grievances of students and staff in judicious manner. All the Complaints which may affect the performance and general development of a student are admitted for redressal.

Grievance Redressal Mechanism for Students

At the first instance, the grievance of students will be settled at the Departmental level by the Head of the Department or Dean of the School. An aggrieved student would be required to submit his/her complaint in writing.

Any grievance related to Hostels shall be first considered by the Chief Warden/Dean Students Welfare.

In case a student is not satisfied, or the grievance remain unattended, he/she may represent his/her case to the Registrar (through the Head/Dean of the Faculty), or through Dean Student Welfare. In Case of a grievance regarding Hostel, student can submit his grievance in writing to the warden who will forward the same to the Grievance Redressal Committee for necessary action.

WE CARE FOR
OUR STUDENTS

Procedure for submission of complaints, if the complainant is not satisfied at the Dean/Head level:

Any aggrieved student may submit an application by giving details along with supporting documents of the complainant addressed to the Chairman of the Grievance Redressal Committee. The application may be handed over to the Registrar. The Registrar office would be responsible for forwarding the application to the chairman. Procedure to be adopted by Grievance Redressal committee

1. The Grievance Redressal committee shall fix a date of hearing the complaints.

2. The date of hearing shall be communicated to Registrar and the aggrieved person either in writing or electronically.

3. An aggrieved student may appear in person.

4. Grievance Redressal Committee shall ensure speedy disposal of every application within a month.

5. In the conclusion of proceedings, the Grievance Redressal committee shall pass such order as it may deem fit to redress the complaint.

As per the directions of UGC, internal committee has been constituted to ensure that officials/faculty members should refrain from any act of discrimination against SC/ST students on grounds of their social origin. They would need to understand the terms of the letter from UGC in word and spirit and initiate continuous actions to ensure that no officials or faculty members should indulge in any kind of discrimination against any community or category of students. Sensitizing officials/faculty members of the campus while dealing with cases of caste based discrimination would also be the responsibility of the committee. Time bound and required actions would need to be initiated whenever necessary.

REFUND POLICY

Admission Withdrawal & Refund Policy

All applications for withdrawal/refund shall be submitted to the office of Registrar Only.

Such applications shall be accepted only if filled in the prescribed format and duly acknowledge by the Accounts

Manager mentioning the date of receipt of application.

Duly filled form along with original copy of the receipt of the fee deposited shall be deposited to the office of the Registrar.

Refund Rule for Course Fee

Sr no.	Percentage of Refund of Aggregate fees*	Point of time when notice of withdrawal of admission is served to University
1.	100%	15 days before the formally-notified last date of admission
2.	80%	Not more than 15 days after the formally-notified last date of admission
3.	50%	More than 15 days but less than 30 days after formally-notified last date of admission
4.	00	More than 30 days after formally-notified last date of admission

*(Inclusive of course fees and non-tuition fees but exclusive of caution money and security deposit)

GNA University shall deduct 10% of the aggregate fees as processing charges in case of serial number 1 mentioned in Table above from the refundable amount. The refund of fee shall be made, through cheque / NEFT In favour of the Candidate only.

Note: For online payments, it is important for candidates to note the transaction number for future reference and request for any type of refund, for whatsoever reason, will be at the sole discretion of the University.

48.	BPT (Bachelor of Physiotherapy)	Undergraduate 4.5 Years	10+2 Medical	₹63,780
49.	B.Sc ND (B.Sc - Nutrition and Dietetics)	Undergraduate 3 Years	10+2 Any Stream	₹63,780
GNA School of Pharmacy				
50.	B.Pharm (Bachelor of Pharmacy)	Undergraduate 4 Years	10+2 Medical/Non Medical	₹86,100
School of Design & Mass Communication				
51.	M.Sc AM (Master of Science - Animation and Multimedia)	Postgraduate	Graduate Any Stream	₹52,600
52.	B.Sc AM (Bachelor of Science - Animation & Multimedia)	Undergraduate 3 years	10+2 Any Stream	₹62,100
53.	BA JMC (BA Journalism and Mass Communication)	Undergraduate 3 years	10+2 Any Stream	₹40,200
School of Natural Sciences				
54.	B.Sc Chemistry (Bachelor of Science - Chemistry)	Undergraduate 3 years	10+2 Non Medical	₹29,000
55.	B.Sc Maths (Bachelor of Science - Mathematics)	Undergraduate 3 years	10+2 Non Medical	₹29,000
56.	B.Sc Physics (Bachelor of Science - Physics)	Undergraduate 3 years	10+2 Non Medical	₹29,000
57.	B.Sc PS (Bachelor of Science - Physical Science)	Undergraduate 3 years	10+2 Non Medical	₹29,000
School of Physical Education & Sports				
58.	MPES (Master of Physical Education and Sports)	Postgraduate	BPES/BPED	₹43,000
59.	BPES (Bachelor of Physical Education and Sports)	Undergraduate 3 Years	10+2 Any Stream	₹21,000
School of Liberal Arts				
60.	MA English (Master of Arts - English)*	Postgraduate	Graduate Any Stream	₹24,000
61.	BA English (Bachelor of Arts - English)*	Undergraduate 3 Years	10+2 Any Stream	₹19,000

Under NEP, Student can exit from any Degree Program after 1st Year or 2nd Year and He/She will earn certificate or Diploma in the enrolled program respectively.
*Scholarship is not applicable on this Course

Campus **HAPPENING**

Proudly hosted a motivational session by renowned Bollywood actor **Ashish Vidyarthi**

Diwali Mela 2023 with the electrifying live performance by renowned voice **"Gurnam Bhullar"**

GU celebrating **Teej Festival** with Vibrancy and joy!

NSS Wing organized **Blood Donation Camp**

GNA University organized **JOB FAIR-2024**

GNA University Luddi Team won the First Prize in **District Level Youth Festival, Kapurthala**

Aabhar 2023: Celebrating Academic Excellence at GNA University!

GNA University Organized Alumni Meet with Renowned stand-up comedian **Parvinder Singh**.

GU Welcomed Star cast of upcoming Punjabi movie **"JE PAISA BOLDA HUNDA"**

School of Engineering, Design and Automation conducted a **five-day workshop on Autodesk Alias**

GU-IIC and GU-TBI organized a guest lecture on **"THE BEST PHYSIO"** by India's first BFR Instructor

School of Allied and Healthcare sciences organized a guest lecture on **"Hemocytometer: A Versatile Tool for Cell Biology"**

Attempts A New Record With **3535 Varieties Of Kachori**

DRONE Show at our university premises to celebrate World's Space **SpacePhilia 2.0**

School of Engineering, Design and Automation celebrated **Engineers' Day 2023**

GNA Receiving the prestigious **"Best Emerging University in India Award"** during 52nd ISTE National Annual Convention

Awarded as the most emerging University in **Robotics Education** for its Excellence **INDIA STEM Summit & Awards 23**

GNA Student **Prabhleen Kaur** achieved Third Position out of the 18 teams in the **37th AIU North Zone Unifest** hosted by Punjabi University, Patiala

Celebrated **Teacher's Day** with our exceptional faculty and staff members

GNA Welcomed the Star cast of **Warning 2**

GNA University radiated warmth and joy as we celebrated **Lohri** with our vibrant faculty members

GU-IIC and GU-TBI hosted an enlightening entrepreneurial session **"UDAAN: Wings to Your Dreams"** with Mr. Mohammed Javed

Guest Lecture for its faculty members on **"Key Ingredients of Research: People, Patents & Wealth"** by Dr. Narayan Gehlot, New Jersey, USA

GNA University organize **Education Cum Science Fair**

GU hosted the grand **AIU INTER UNIVERSITY FOOTBALL TOURNAMENT** (North- West Zone and North Zone)

GNA University celebrated **Republic Day 2024** with great fervour and zeal.

First position in **National Design Challenge on Innovative Design** Organized by CII, Ministry of Fisheries & World Bank

GNA University hosted 5th International Conference **ICOHST 2023** on the theme **Rethinking Tourism: Reshaping the future of Tourism & Hospitality Industry**

School of Hospitality hosted a joyous and successful **Christmas Cake Mixing Ceremony**

GNA honored to host the renowned fitness expert, **Guru Mann**, as part of the **Fit India** campaign.
