DISCLAIMER

1. All the programs mentioned in the International Student Fee Guide are being offered for the Session 2025-26. Every effort has been made to ensure that all the information contained in the International Guide is correct but there is also the possibility that few changes may occur between the date of printing and the start of the academic session for which this International Student Fee Guide is prepared. Please note that the most updated source of information is the University website. Before taking any of the decisions regarding your choice of programs or any other thing, we strongly recommend the reference to the University website.

2. Though all the effort has been made to provide all the programs, facilities and services described in the International Student Fee Guide, but the University cannot guarantee the strict observance of the same. The University may make any of the variations in the contents or mode of delivery. The University may merge, discontinue or introduce new courses.

3. If the University discontinues any program, the best suitable option will be provided to the prospective students. No students will be unreasonably prejudiced as a result of this change.

4. The University cannot accept any liability for disruption to its provision of educational or other services caused by circumstances beyond its control, but the University will take all reasonable steps to minimize the resultant disruption to such services.
