Submission Rules and Publication*

Author(s) should submit their original unpublished work in the prescribed format to CIES-2021. All the accepted papers will be published in the proceedings with the ISBN number and the selected papers will be published in UGC Approved Journals and selected and extended papers will be published in SCOPUS Indexed Journals at an additional cost. Simultaneous submissions (papers already submitted to other conferences/journals) are not allowed. Submission should strictly follow recommended paper template which can be found at <http://www.gnauniversity.edu.in/CIES-2021>

The decision regarding the acceptance of paper is at the direction of Technical Program Committee. The list of Journals will be available on conference website. The authors are requested to submit papers at conference.feda@gnauniversity.edu.in by mentioning Track ID in the subject field.

Best Paper Award

The Best Paper Award will be presented in each track to the authors whose work represents groundbreaking research in their respective fields.
